Report of Principal and School Improvement Council

2007-08 was a year of outstanding achievement and successes for Lakewood Elementary School. Instructional strategies that were instrumental in reaching these goals included focus lessons, Common Planning time across all grade levels, MAP testing with diagnostic study, instructional monitoring with regular administrative classroom visits, and positive interventions by mentors from Coastal Carolina University's baseball team members paired with identified at-risk students.

Our PTA and volunteer organizations continue to provide dedicated personal assistance to our students, as well as funding support for instructional resources. Lakewood Elementary School has a very active volunteer program whose members work one-on-one or in small groups with students in the areas of literacy and numeracy. The School Improvement Council remains an integral part of ensuring that the school meets its mission and goals.

We are especially proud of many programs, initiatives, and achievements earned this past year. Lakewood was recognized again by the state's Education Oversight Committee as a school that is Closing the Gap for historically underachieving student groups. We were a repeat recipient of the Gold Award for Academic Performance sponsored by the State Department of Education. Our school remains accredited by The Southern Association of Colleges and Schools, and remains a recognized Red Carpet School. Our school is especially proud of Barbara Ramsbottom, Lakewood's Nationally Board certified school nurse, who received the honor of being chosen as The South Carolina School Nurse of the Year! Lakewood also was a featured school in the state sponsored Palmetto Gold and Silver Awards Showcase.

Lakewood Elementary School is committed to academic excellence and continues to involve parents and community members in the decision-making process of the school through an active PTA and School Improvement Council. Data analysis, diagnostic testing, and strategic instructional best practices will provide the necessary ingredients to keep Lakewood growing academically. The Lakewood Family enthusiastically celebrates each child's progress on the continuum of learning!

Ann Marie Gore, School Improvement Council Chairperson
